Re: Cancellation of CCN of Verizon Avenue Corp.  
Docket No. 00-00112

Dear Chairman Jones:

Verizon Avenue Corp. ("Verizon Avenue") requests that the TRA cancel Verizon Avenue's Certificate of Public Convenience and Necessity.

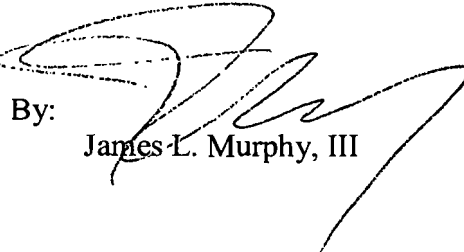

The TRA originally granted the CCN to OnePoint Communications-Georgia, L.L.C. on August 7, 2000 in Docket No. 00-00112. On May 6, 2004, the TRA approved the transfer of all the assets of OnePoint, including its CCN, to Verizon Avenue in Docket No. 03-00523. Verizon Avenue has ceased providing local telecommunication services in Tennessee and does not intend to offer local telecommunications services under its CCN in the future.

Verizon Avenue does not currently have any customers subscribing to local telecommunications services in the state, therefore the 90-day customer notice requirements of TRA Rule 1220-4-8-.05 do not apply.

Verizon Avenue respectfully requests that the TRA cancel its CCN on or before May 1, 2006.

Very truly yours,

BOULT, CUMMINGS, CONNERS & BERRY, PLC
