Dear Mr. Parrott:

Sprint Communications recently filed Tariff 00-00454 to introduce a 1.5% Late Fee for business customers. To assist the Authority in our examination of this tariff proposal, please provide responses to the following:

1. Does Sprint currently have any Tennessee business customers who subscribe to DDD services as defined in Tenn. Admin. Rule 1220-4-2-.55(2)(d)?
2. Will Sprint business customers identified in question 1 above, if any, be subject to the Late Fee proposed by Tariff 00-00454?
3. Does the introduction of a Late Fee for business customers whose rates are capped by Tenn. Admin. Rule 1220-4-2-.55(2) constitute an increase in existing rates in violation of said Rule? Explain your answer.

We request that you submit thirteen (13) copies of your responses to the Authority by Tuesday, June 27, 2000. If you have any questions concerning this matter, contact Joe Shirley at 741-2904, ext. 152.

Sincerely,
