RE: Atmos Energy City of Morristown Franchise, Docket No. 0000-562

Dear Mr. Shirley:

Atmos Energy is writing to notify the Authority of the extension of the franchise agreement with the City of Morristown as provided in Section I of Ordinance No. 3022, approved in Docket No. 0000-562. Per the terms of Section I, the initial fifteen-year term of the Ordinance shall be renewed for an additional five-year period on the same terms and conditions unless such franchise is terminated sooner pursuant to Section XIV of the agreement or the City Council votes within one year prior to the end of the initial fifteen-year term not to renew. Accordingly, as the franchise has neither been terminated pursuant to Section XIV, nor has the City Council voted within one year prior to the end of initial term not to renew the franchise, the additional five-year period has entered into effect. The expiration date of the franchise agreement is now January 3, 2020.
