ORDER APPROVING COMPANY'S CANCELLATION REQUEST

This matter came before Vice Chairman John Hie, Commissioner Herbert H. Hilliard, Commissioner Robin L. Morrison, Commissioner Clay R. Good, and Commissioner Kenneth C. Hill of the Tennessee Public Utility Commission (the “Commission” or “TPUC”), the voting panel assigned to this docket, during a regularly scheduled Commission Conference held on September 15, 2025. On December 10, 2001, the Tennessee Regulatory Authority, now TPUC, issued an order granting Access Point, Inc. (“Access Point” or “Company”) a CCN to operate as a competitive local exchange carrier.¹ On March 21, 2019, the Company filed its request to cancel its CCN, asserting that, as of January 1, 2019, it no longer provided telecommunications services in Tennessee.² However, AT&T later informed the Commission that Access Point still had active accounts on its network providing telecommunications services in Tennessee.³

On August 8, 2025, BellSouth Telecommunications, LLC d/b/a AT&T Tennessee filed its Interconnection Agreement between AT&T and GC Pivotal, LLC d/b/a Global Capacity (“GC Pivotal”), in which the parties agreed that GC Pivotal would assume Access Point’s obligations in

providing telecommunications services in Tennessee.⁴ Since Access Point no longer provides telecommunications services to customers in Tennessee, it has no need to retain its CCN. With the additional proof that service is discontinued, the Company is in good standing with the Commission concerning payment of its mandatory inspection fees. After careful consideration of the entire record in this matter, the Commissioners voted unanimously to grant the Company's request to cancel its CCN.

IT IS SO ORDERED.

**Vice Chairman John Hie,
Commissioner Herbert H. Hilliard,
Commissioner Robin L. Morrison,
Commissioner Clay R. Good, and
Commissioner Kenneth C. Hill concurred.**

None dissented.
