**ORDER GRANTING APPROVAL OF BELLSOUTH
CONTRACT SERVICE ARRANGEMENT (MS00-3584-00)**

This matter came before the Tennessee Regulatory Authority ("Authority") at a regularly scheduled Authority Conference on December 5, 2000 on the tariff filing of BellSouth Telecommunications, Inc. ("BellSouth") for approval to offer Contract Service Arrangement No. MS00-3584-00 ("CSA"). BellSouth filed Tariff No. 00-01009 on November 7, 2000, with a proposed effective date of December 7, 2000.

Based upon careful consideration of the tariff filing, the Authority makes the following findings and conclusions:

1. The purpose of this CSA is to provide a Volume and Term Discount to the customer identified in the filing. Through this arrangement, the customer agrees to meet an annual revenue commitment of three hundred-twenty-three thousand dollars (\$323,000.00) in exchange for a fifteen percent (15%) discount.
2. The term of this CSA is thirty-six (36) months.
3. This CSA contains two termination provisions. The first relates to the termination of the underlying specific service and is linked to the tariff provision applicable to the underlying

service. The second applies to the termination of the Volume and Term agreement. Because the first termination provision is contained in the underlying, previously approved tariff, it is only the second termination provision that is before the Authority in this docket.

4. In its November 7, 2000 cover letter included with the CSA filing, BellSouth agreed to notify the customer¹ that upon early termination of the CSA without cause, the lesser of the following termination liability charges would apply to the termination of the Volume and Term Agreement:

- a. The amounts specified in the CSA the customer signed;²
- b. The total of the repayment of discounts received during the previous twelve (12) months of service, the repayment of the prorated amount of any waived or discounted non-recurring charges, and the repayment of the prorated amount of any documented contract preparation, implementation and tracking, or similar charges; or
- c. Six percent (6%) of the total CSA amount.

5. This CSA contains provisions for incentive awards and commitment shortfalls. BellSouth provided an addendum executed by the customer clarifying the fact that the commitment shortfalls do not apply upon the customer's early termination of the CSA.

6. BellSouth provided an addendum executed by the customer stating that the customer was aware of competitive alternatives available to it in Tennessee and that the customer

¹ BellSouth agreed during the October 24, 2000 Authority Conference that it would send the notice to the customer upon approval of the CSA by the Authority. *See Transcript of Proceedings*, p. 15 (Authority Conference October 24, 2000).

² Section 6N of the BellSouth BusinessSM Master Services Agreement, Attachment 1 provides:

Termination Liability. If Customer desires to terminate the Discount Provisions prior to their expiration, Customer must provide written notice of such termination 60 days prior to the effective date of termination. BellSouth will bill Customer the following termination charges:

- (1) The amount of discounts received for the life of this Agreement or for the previous 12 months, whichever is less and
- (2) The prorated portion of the Agreement implementation and tracking costs

and BellSouth have agreed on the termination provisions and that the termination charges represent a reasonable estimate of BellSouth's damages in the event of termination.

7. BellSouth supplied cost data which indicates that the price of services offered under the CSA exceed their long-run incremental costs. Based on this information, BellSouth has complied with the statutory price floor established in Tenn. Code Ann. § 65-5-208(c).

8. No parties sought to intervene in this docket.

Based on the foregoing findings and conclusions, the Directors unanimously determined that the CSA in this docket should be granted.

IT IS THEREFORE ORDERED THAT:

BellSouth Telecommunications, Inc.'s Tariff No. 00-01009 which seeks approval of Contract Service Arrangement No. MS00-3584-00, is hereby granted.

ATTEST:

K. David Waddell, Executive Secretary

³ Director Malone has noted that, generally, the underlying tariff termination provisions with respect to the specific services that may be used to meet the volume and term requirements of a Volume and Term CSA contain buyout clauses, sometimes amounting to a ninety percent (90%) or one-hundred percent (100%) buyout. Notwithstanding Director Malone's approval of this Volume and Term CSA, he remains of the opinion that tariff termination provisions, however triggered, containing such buyouts are so potentially anticompetitive as to warrant modification by the agency on a going-forward basis.
