Re: *Approval of the Amendment to the Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. and Navigator Telecommunications, LLC Pursuant to Sections 251 and 252 of the Telecommunications Act of 1996.*  
Docket No. 00-00816

01-00073

Dear Mr. Waddell:

Pursuant to Section 252(e) of the Telecommunications Act of 1996, Navigator Telecommunications, LLC and BellSouth Telecommunications, Inc. are hereby submitting to the Tennessee Regulatory Authority the original and thirteen copies of the attached Petition for Approval of the Amendment to the Interconnection Agreement dated August 22, 2000. The Amendment relates to Unbundled Coin port/loop combinations.

Thank you for your attention to this matter.

Sincerely yours,

Guy M. Hicks

In re: *Approval of the Amendment to the Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. and Navigator Telecommunications, LLC Pursuant to Sections 251 and 252 of the Telecommunications Act of 1996* § 17

Docket No. ~~00-00816~~  
01-00073

**PETITION FOR APPROVAL OF THE**  
**AMENDMENT TO THE INTERCONNECTION AGREEMENT**  
**NEGOTIATED BETWEEN BELL SOUTH TELECOMMUNICATIONS, INC.**  
**AND NAVIGATOR TELECOMMUNICATIONS, LLC**  
**PURSUANT TO THE TELECOMMUNICATIONS ACT OF 1996**

COME NOW, Navigator Telecommunications, LLC ("Navigator") and BellSouth Telecommunications, Inc., ("BellSouth"), and file this request for approval of the Amendment to the Interconnection Agreement dated August 22, 2000 (the "Amendment") negotiated between the two companies pursuant to Sections 251 and 252 of the Telecommunications Act of 1996, (the "Act"). In support of their request, Navigator and BellSouth state the following:

1. Navigator and BellSouth have successfully negotiated an agreement for interconnection of their networks, the unbundling of specific network elements offered by BellSouth and the resale of BellSouth's telecommunications services to Navigator. The Interconnection Agreement was approved by the Tennessee Regulatory Authority ("TRA") on November 21, 2000.

2. The parties have recently negotiated an Amendment to the Agreement which relates to Unbundled Coin port/loop combinations. A copy of the Amendment is attached hereto and incorporated herein by reference.

3. Pursuant to Section 252(e) of the Telecommunications Act of 1996, Navigator and BellSouth are submitting their Amendment to the TRA for its consideration and approval. The Amendment provides that either or both of the parties is authorized to submit this Amendment to the TRA for approval.

4. In accordance with Section 252(e) of the Act, the TRA is charged with approving or rejecting the negotiated Amendment between BellSouth and Navigator within 90 days of its submission. The Act provides that the TRA may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity.

5. Navigator and BellSouth aver that the Amendment is consistent with the standards for approval.

6. Pursuant to Section 252(i) of the Act, BellSouth shall make the Agreement available upon the same terms and conditions contained therein.

Navigator and BellSouth respectfully request that the TRA approve the Amendment negotiated between the parties.

This 18<sup>th</sup> day of June, 2001.

Respectfully submitted,

BELLSOUTH TELECOMMUNICATIONS, INC.

**First Amendment to  
Interconnection Agreement between  
Navigator Telecommunications, LLC and  
BellSouth Telecommunications, Inc.  
Dated 08/22/2000**

Pursuant to this Agreement (the "Agreement"), Navigator Telecommunications ("Navigator") and BellSouth Telecommunications, Inc. ("BellSouth") hereinafter referred to collectively as the "Parties" hereby agree to amend that certain Master Interconnection Agreement ("the Agreement") between BellSouth and Navigator dated 08/22/2000.

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Navigator and BellSouth hereby covenant and agree as follows:

1. Add the following paragraphs as 5.4.3 and 5.4.3.1 to section 5.4 within Attachment 2:
  - 5.4.3 Unbundled Coin port/loop combination: An unbundled 2-wire voice grade coin port, local and tandem switching functionality, shared interoffice transport, and a 2-wire analog loop combined to provide an end user to end user transmission path that provides basic local exchange service. The service is to be utilized with a payphone set that is capable of performing coin phone functions such as call rating, coin return, and timing within the set itself.
  - 5.4.3.1 The Unbundled Coin port/loop combination is currently available in BellSouth's serving territory in Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi and South Carolina. Development continues for the product's availability in North Carolina and Tennessee with an expected target date for completion in the first quarter of 2001.
2. Add the following paragraphs as 5.3.9 and 5.3.9.1 to section 5.3 within Attachment 2:
  - 5.3.9 BellSouth currently is developing the billing capability to bill unbundled port rates (1) where BellSouth is not required, pursuant to section 5.1 to provide local circuit switching and (2) where BellSouth provides unbundled port/loop combinations that are "not currently combined" in all other MSAs except for the state of Georgia.
  - 5.3.9.1 In the interim, BellSouth shall bill rates listed in the "currently combined" section for all other MSAs for the unbundled port in such scenarios, and shall true-up the billing differences once the billing capability is developed.
3. Delete in its entirety section 5.6.1.1 and replace with a new section 5.6.1.1 as follows:

5.6.1.1 Rates for circuit switching, where BellSouth is not required, pursuant to section 5.6.1, to provide circuit switching are as set forth in Exhibit C of this Attachment.

4. Add the Unbundled Coin Port/Loop Combination Rate Matrix, Exhibit 1, to Exhibit C of Attachment 2.
5. All other provisions of the Interconnection Agreement, dated 08/22/2000, shall remain in full force and effect.
6. Either or both of the Parties is authorized to submit this Amendment to the appropriate state Commissions for approval subject to section 252(e) of the Federal Telecommunications Act of 1996.
7. IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be executed by their respective duly authorized representatives on the date indicated below.

NOTES

- The UNE Coin Port rate within this section includes all available features in GA, KY and TN
- Rates within this section apply for "Currently Combined" (and "Not Currently Combined" as noted in GA) UNE Coin Port/Loop Combinations ordered by the CLEC within all MSAs of the states listed to serve end users with less than four (4) DS0 equivalent lines, and for all MSAs of the states listed, except Orlando, Ft. Lauderdale, Miami, Atlanta, Greensboro-Winston Salem-Highpoint / Charlotte-Gastonia-Rock Hill, Nashville and New Orleans, to serve end users with four (4) or more DS0 equivalent lines.
- As clarification, the term Dialing Parity refers to the BellSouth local calling plans that BellSouth must provide to comply with local dialing parity. The CLEC may request such a local calling scope with its UNE port/loop combination by selecting the appropriate USOC.
- There is not a unique UNE Coin Port/Loop Combination USOC. The service is ordered by submitting the UNE Coin Port USOC.
- Subsequent Activity is charged for service order activity after the line has been established as a UNE Combination. This charge is in addition to other applicable NRCs, such as OSS charges and installation charges.
- This Amendment contains Deaveraged Loop Rates by Zone. Until approximately December 31, 2000 or until such time that BellSouth billing systems have been developed to handle the new zone rate structure, BellSouth will bill at the Zone 1 Deaveraged Loop rate level only. After December 31, 2000 or such time that the billing systems have been developed to handle the new zone rate structure, BellSouth will begin billing pursuant to CLEC-1's interconnection agreement.
- In Georgia the UNE Coin Port Recurring Rates within this section will apply for "Currently Combined" as well as "Not Currently Combined" Port/Loop Combinations except for the Atlanta MSA if the CLEC is serving an end user with four or more DS0 equivalent lines.
- The nonrecurring charges in this category apply to "Not Currently Combined" UNE Coin Port/Loop Combinations in GA only, except for the Atlanta MSA if the CLEC is serving an end user with four or more DS0 equivalent lines.
- The USOCs listed within this category will appear on the CLEC's bill with the charges listed but are not required on the Local Service Request (LSR) when ordering.
- Rates within this section apply (1) if the CLEC is ordering a UNE Coin Port/loop Combination that is "Currently Combined" or "Not Currently Combined" to serve an end user with four or more DS0 equivalent lines in the Orlando, Ft. Lauderdale, Miami, Atlanta, Greensboro-Winston Salem-Highpoint / Charlotte-Gastonia-Rock Hill, Nashville or New Orleans MSAs or (2) if the CLEC is ordering a UNE Coin Port/loop Combination that is "Not Currently Combined" to serve an end user in any MSA in AL, FL, KY, LA, MS, NC, SC or TN.
- The UNE Coin Port rate within this section includes all available features.
- BellSouth currently is developing the billing capability to bill unbundled recurring port rates for this section 2.1.1. In the interim, BellSouth shall bill the recurring unbundled port rates listed in 1.1.1 of this Exhibit 1 and shall true-up the billing differences once the billing capability is developed.
