Re: Americatel Corporation d/b/a 1010 123 Americatel

Dear Sir or Madam:

This firm represents Americatel Corporation d/b/a 1010 123 Americatel ("Americatel") which is certificated to provide long distance service in Tennessee

The purpose of this letter is to notify the Tennessee Regulatory Authority (the "Authority") of an indirect change in control of Americatel. This indirect change in control will result from a change in the majority organizational control of Entel Chile S.A.

Eighty percent of Americatel is owned by Entel International, B.V.I., which is a wholly-owned subsidiary of Entel Chile S.A. Thus, a change in majority organizational control of Entel Chile S.A., will indirectly change the control of Americatel.

The current ownership in Entel Chile S.A. is as follows:

Stet International Netherlands N.V.	26.16%
Chilquinta S.A.	15.01%
Chilquinta Telecomunicaciones S.A.	10.62%
Inv. Hidrosur LTDA	13.68%
Minority Shareholders (less than 5% each)	34.53%

Stet International Netherlands N.V. plans to acquire the shares in Entel Chile S.A. currently owned by Chilquinta S.A., Chilquinta Telecomunicaciones S.A., and some of the minority shareholders so that the ownership in Entel Chile S.A. will be as follows:

Stet International Netherlands N.V.	54.76%
Inv. Hidrosur LTDA	13.68%
Pension Funds	18.90%
Minority Shareholders (less than 5% each)	12.66%

Stet International Netherlands N.V. is the subsidiary of Telecom Italia responsible for acquiring and administering equity interest in international telecommunications companies.

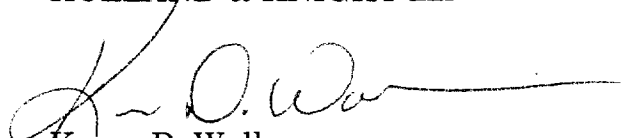

The transaction will not affect the Authority's regulation of Americatel and the transaction will be transparent to Americatel's customers. After the transaction, Americatel will continue to provide service in its own name pursuant to its certificate and tariff currently on file with the Authority.
