Smyrna, TN 37167

Subject: **Administrative Inactivation of State Operating Permit No. SOP-03042
Tennessee Wastewater Systems, Inc.
Eagle Crest Resort
Near Pigeon Forge, Sevier County, Tennessee**

Dear Mr. Hyatt:

This letter is to inform you the Division of Water Resources (the division) is administratively inactivating the file record the above referenced permit for the following reasons:

- The above referenced SOP expired on 27-FEB-14. The division mailed a warning letter on 22-JUL-14, regarding the application deadline for a permit renewal. To date we have not received this application from your company;
- The division never received evidence of ownership of the treatment facility land application site(s) and/or a copy of the perpetual easement(s) as required by the permit; and
- The division has not approved plans and specifications for construction of a sewage treatment system;
- A sewerage treatment system has neither been constructed nor provided to your utility for use in providing utility service.

This administrative inactivation of the file record will become effective from 30days from the date of this letter. If you have questions, please contact the Knoxville Environmental Field Office at 1-888-891-TDEC; or, at this office, please contact Mr. Hari Akunuri at (615) 532-0650 or by E-mail at Hari.Akunuri@tn.gov.

Sincerely,

Brad C. Harris, P.E.
Manager, Land-Based Systems
