RE: Momentum Telecom, Inc.
Docket No. 01-00379

Dear Mr. Wagner:

The Tennessee Public Utility Commission has received a request from Momentum Telecom, Inc. to cancel its CCN in Tennessee, effective on or after December 15, 2018. Momentum states that it provided written notice of this discontinuance to its three-hundred and sixty-two (362) customers on October 12, 2018. These customers are all served via a resale agreement with AT&T, and therefore, should be able to obtain service from AT&T or another chosen carrier when Momentum's service is discontinued.

Please verify that BellSouth Telecommunications, Inc. d/b/a AT&T Tennessee will not be providing any resold lines or facilities to Momentum Telecom, Inc. after December 15, 2018.

Please respond to this request on or before November 9, 2018. If you have questions regarding this request, please contact Lisa Foust at 615-770-6886.

Sincerely,
