Lisa,

Per our conversation yesterday:

AT&T records indicate that as of November 8, 2018, we have one remaining end user with Momentum Telecom Inc in Tennessee. The CLEC profile is TN RSL AECN 5841.

AT&T records also indicate there are no resold lines or end users in service for The Other Phone Company d/b/a PAETEC Business Services as of November 7, 2018.

The original data requests are appended. Let me know if you have any other questions or concerns.
