Tori,

I just realized this email did not get added in Docket No. 01-00379. Can you add it?

Thanks,
Lisa Foust

Good morning Lisa,

Unfortunately this account is still showing live on AT&T records. Comments from our interconnect team are below.....

The end user 423-472-5221-174 (AMERICAN PRODUCT GROUP) found under the SE AECN 5841 is still showing live.

Do you think you could get the PON order number and where they sent the disconnect request?

Ms. Sager,

I have spoken with Momentum about the one end user remaining as of the date of your letter (attached). As of today, Momentum states the end user is no longer being served. Can you verify that BellSouth/AT&T Tennessee is no longer providing resold or facilities based services to Momentum Telecom? Thank you in advance.
