In re: *Approval of the Amendment to the Combination Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. and Intermedia Communications Inc. Pursuant to Sections 251 and 252 of the Telecommunications Act of 1996*

Docket No. ~~00-00815~~ 01-00596

PETITION FOR APPROVAL OF THE
AMENDMENT TO THE COMBINATION INTERCONNECTION AGREEMENT
NEGOTIATED BETWEEN BELL SOUTH TELECOMMUNICATIONS, INC.
AND INTERMEDIA COMMUNICATIONS INC.
PURSUANT TO THE TELECOMMUNICATIONS ACT OF 1996

COME NOW, Intermedia Communications Inc. ("Intermedia") and BellSouth Telecommunications, Inc., ("BellSouth"), and file this request for approval of the Amendment to the Combination Interconnection Agreement dated July 12, 2000 (the "Amendment") negotiated between the two companies pursuant to Sections 251 and 252 of the Telecommunications Act of 1996, (the "Act"). In support of their request, Intermedia and BellSouth state the following:

1. Intermedia and BellSouth have entered into a Combination Interconnection Agreement so as to allow for the immediate conversion of Intermedia's special access circuits to EELs by BellSouth. BellSouth has agreed to provide to Intermedia certain combinations of unbundled network elements. The Combination Interconnection Agreement was approved by the Tennessee Regulatory Authority ("TRA") on November 21, 2000 ("Agreement").

2. The parties have recently negotiated an Amendment to the Agreement which includes the rates ordered by the TRA for combinations and adds DS1 loops. A copy of the Amendment is attached hereto and incorporated herein by reference.

3. Pursuant to Section 252(e) of the Telecommunications Act of 1996, Intermedia and BellSouth are submitting their Amendment to the TRA for its consideration and approval. The Amendment provides that either or both of the parties is authorized to submit this Amendment to the TRA for approval.

4. In accordance with Section 252(e) of the Act, the TRA is charged with approving or rejecting the negotiated Amendment between BellSouth and Intermedia within 90 days of its submission. The Act provides that the TRA may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity.

5. Intermedia and BellSouth aver that the Amendment is consistent with the standards for approval.

6. Pursuant to Section 252(i) of the Act, BellSouth shall make the Agreement available upon the same terms and conditions contained therein.

Intermedia and BellSouth respectfully request that the TRA approve the Amendment negotiated between the parties.

This 10th day of July, 2001.

Respectfully submitted,

BELLSOUTH TELECOMMUNICATIONS, INC.
