RE: Docket No. 01-01123  
AmeriMex Communications Corp

Dear Mr. Stinson:

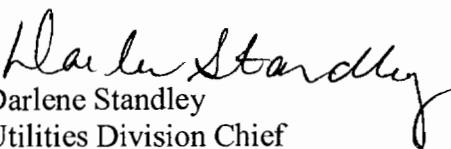

The Tennessee Regulatory Authority has received a request from Amerimex Communications Corp. to cancel its CCN, stating the company has no customers in Tennessee.

Amerimex was initially granted authority to resell local telecommunications services in Tennessee on February 5, 2002 in the above referenced docket.

On September 24, 2008, the Tennessee Regulatory Authority received a request from AmeriMex for immediate cancellation of its certification, stating it has no operations or customers in Tennessee and has no plans to do business here in the future. Please verify that BellSouth is not providing any resold lines to AmeriMex Communications Corp. at this time.

Please respond to this request on or before October 10, 2008. If you have questions regarding this request, please contact Lisa Foust at 615-741-2904 extension 220.

Sincerely,

  
Darlene Standley  
Utilities Division Chief
