DOCKET NO.
02-00478

ORDER APPROVING PETITION OF ON-SITE SYSTEMS, INC.
TO AMEND ITS CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY

This matter came before Chairman Sara Kyle, Director Deborah Tate and Director Ron Jones of the Tennessee Regulatory Authority (the "Authority"), the voting panel assigned to this docket, at a regularly scheduled Authority Conference held on July 23, 2002 to consider the Petition (the "Petition") of On-Site Systems, Inc. ("On-Site") to amend its Certificate of Public Convenience and Necessity ("CCN") to expand its service area to include an area known as Airbase Road Condominiums ("Airbase Road") in Blount County, Tennessee.

Legal Standard for Granting CCN

On-Site's Petition was made pursuant to and was considered in light of the criteria for granting a CCN as set forth in Tenn. Code Ann. § 65-4-201, which provides, in pertinent part:

- (a) No public utility shall establish or begin the construction of, or operate any line, plant, or system, or route in or into a municipality or other territory already receiving a like service from another public utility, or establish service therein, without first having obtained from the authority, after written application and hearing, a certificate that the present or future public convenience and necessity require or will require such construction, establishment, and operation, and no person or corporation not at the time a public utility shall commence the construction of any plant, line, system or route to be operated as a public utility, or the operation of which would constitute the same, or the owner or operator thereof, a public utility as defined by law, without having first obtained, in like manner, a similar certificate . . .

Background

On April 4, 1994, On-Site received a CCN in Docket No. 93-09040 from the Tennessee Public Service Commission to provide wastewater service to the Oakwood Subdivision in Maury County. Since that time, through various other dockets, On-Site has been granted approval to expand its service territory to include other areas in Tennessee.

Petition to Amend CCN

On January 26, 2002, On-Site filed its Petition to amend its CCN to expand its service area to include Airbase Road. A map showing the area to which On-Site proposes to extend service is attached to its Petition. In its Petition, On-Site states that neither the City of Alcoa nor Blount County has the desire or ability to provide wastewater service to Airbase Road. With its Petition, On-Site submitted a letter dated March 26, 2002 from Chris Hamby, Director of Planning and Codes for the City of Alcoa, stating that the City has no plans to extend sewer service within the next year to Airbase Road. In addition, On-Site submitted a letter dated May 22, 2001 from William A. Crisp, County Executive of Blount County, stating that Blount County does not have plans to provide wastewater service within the next year to Airbase Road.

On-Site filed a rate schedule with its Petition in this docket which states that residential rates for Airbase Road will be as follows:

Total monthly charge	\$35.11
Non-payment fee	5% of monthly charge
Disconnection fee	\$10
Reconnection fee	\$15
Returned check fee	\$20
Access fee	\$84/year

This rate schedule comports with the rate schedule for On-Site approved by the Authority in Docket No. 99-00393 on January 11, 2000. The Petition states that Airbase Road includes only residential customers; therefore, On-Site did not file any commercial rate schedules.

Upon consideration of the Petition and the entire record, the Authority finds that the present and future public convenience and necessity require the approval of On-Site's Petition. Pursuant to Tenn. Code Ann. § 65-4-201, the Authority grants On-Site's Petition.

IT IS THEREFORE ORDERED THAT:

1. The Petition of On-Site Systems, Inc. to amend its Certificate of Public Convenience and Necessity to expand its service area to include an area known as Airbase Road Condominiums in Blount County, Tennessee, as shown in the map attached to the Petition, is approved.
2. On-Site's rates for wastewater service to Airbase Road Condominiums shall be as listed in the rate schedule filed with On-Site's Petition and as set forth in this Order.

Sara Kyle, Chairman

Deborah Taylor Tate, Director

Ron Jones, Director
