1. Customer and BellSouth acknowledge that various competitive alternatives are available to Customer in the State of Tennessee, including competitive alternatives to services provided herein, as evidenced by one or more of the following:
 - A. Customer has received offers for comparable services from one or more other service providers, including XO;
 - B. Customer is purchasing or has purchased comparable services from one or more other service providers, including NONE;
 - C. Customer has been contacted by one or more other service providers of comparable services, including NONE;

2. Customer and BellSouth agree that the Customer's early termination of the Agreement without cause will result in damages that are indeterminable or difficult to measure as of this date and will result in the charging of liquidated damages. Customer and BellSouth agree that with regard to services provided within the State of Tennessee, the amount of such liquidated damages shall equal the lesser of (A) the sum of the repayment of discounts received during the previous 12 months of the service, the repayment of any pro-rated waived or discounted non-recurring charges set forth in Note 2 of the Agreement, and the repayment of the pro-rated contract preparation charge set forth in Note 2 of the Agreement; or (B) six percent (6%) of the total Agreement amount. Notwithstanding any provisions in the Agreement to the contrary, Customer and BellSouth agree that with regard to services provided within the State of Tennessee, this Paragraph of this Addendum sets forth the total amounts of liquidated damages the Customer must pay upon early termination of the Agreement without cause. Customer and BellSouth agree that these amounts represent a reasonable estimate of the damages BellSouth would suffer as a result of such early termination and that these amounts do not constitute a penalty. Customer may, on thirty days written notice to BellSouth, terminate the agreement without payment of liquidated damages if the TennCare Consumer Advocacy Program is terminated for any reason, or if state funding for Customer is terminated for any reason.
3. Except in the case where the Customer assigns this Agreement to a certified reseller in accordance with Paragraph 7(b), Customer may not assign its rights or obligations under this Agreement without the express written consent of the Company and only pursuant to the conditions contained in the appropriate tariff.
4. In the event that the customer terminates this tariff term plan without cause prior to the expiration of this term plan, the Customer shall pay a termination charge as specified in the BellSouth tariffs (Section A2.4.10.E.1 and B2.4.9.A.4, available on the Web at <http://cpr.bellsouth.com/pdf/tv/tm.htm>). The Customer may request a calculation of the termination charge at any time during the term of this contract. Based on the information available at the start of this contract, at the end of the first six (6) months of the contract period and for each six (6) month period thereafter, the estimated amount of the termination liability charge will be \$3,046. In any event, the estimated termination liability charge will not exceed this amount. Should the Customer elect to terminate this contract prior to the expiration date without cause, the actual termination charge will be calculated in accordance with the tariffs referenced above and based on information available at the time of termination.
