In re: *Approval of the Amendments to the Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. and Access Point, Inc. Pursuant to Sections 251 and 252 of the Telecommunications Act of 1996*

Docket No. 02-00624

PETITION FOR APPROVAL OF THE
AMENDMENTS TO THE INTERCONNECTION AGREEMENT
NEGOTIATED BETWEEN BELL SOUTH TELECOMMUNICATIONS, INC.
AND ACCESS POINT, INC.
PURSUANT TO THE TELECOMMUNICATIONS ACT OF 1996

COME NOW, Access Point, Inc. ("Access Point") and BellSouth Telecommunications, Inc., ("BellSouth"), and file this request for approval of the Amendments to the Interconnection Agreement dated May 3, 2001 (the "Amendments") negotiated between the two companies pursuant to Sections 251 and 252 of the Telecommunications Act of 1996, (the "Act"). In support of their request, Access Point and BellSouth state the following:

1. Access Point and BellSouth have successfully negotiated an agreement for interconnection of their networks, the unbundling of specific network elements offered by BellSouth and the resale of BellSouth's telecommunications services to Access Point. The Interconnection Agreement was approved by the Tennessee Regulatory Authority ("TRA") on July 23, 2002.

2. The parties have recently negotiated two Amendments to the Agreement. The first Amendment adds Unbundled Remote Call Forward terms, conditions and rates to the Agreement and the second Amendment adds the rates set forth in Exhibit 1 to the Agreement. Copies of the Amendments are attached hereto and incorporated herein by reference.

3. Pursuant to Section 252(e) of the Telecommunications Act of 1996, Access Point and BellSouth are submitting their Amendments to the TRA for its consideration and approval.

The Amendments provide that either or both of the parties is authorized to submit the Amendments to the TRA for approval.

4. In accordance with Section 252(e) of the Act, the TRA is charged with approving or rejecting the negotiated Amendments between BellSouth and Access Point within 90 days of its submission. The Act provides that the TRA may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity.

5. Access Point and BellSouth aver that the Amendments are consistent with the standards for approval.

6. Pursuant to Section 252(i) of the Act, BellSouth shall make the Agreement available upon the same terms and conditions contained therein.

Access Point and BellSouth respectfully request that the TRA approve the Amendments negotiated between the parties.

This 31st day of Oct., 2002.

Respectfully submitted,

BELLSOUTH TELECOMMUNICATIONS, INC.
