Re: *Complaint by Aeneas Communications LLC against BellSouth
Telecommunications Alleging Anticompetitive Business Practices*
TRA Docket No. 02-01274

Dear Counsels of Record:

On February 2, 2009, an *Order Granting Joint Request for Sixty-day Suspension of Procedural Schedule* was entered in the above-referenced Tennessee Regulatory Authority ("TRA" or "Authority") docket file. Upon such entry, the procedural schedule adopted by the Hearing Officer on November 3, 2008, was suspended sixty days. The deadline for the filing of the Aeneas' Pre-filed Direct Testimony was thereby moved forward to approximately April 3, 2009. As of the date of this correspondence, no additional filings have been entered in the docket file in this matter.

Therefore, please advise whether there remain issues to be addressed by the Authority in this docket, and if so, the status thereof. Your prompt attention in this matter is appreciated.

Sincerest Regards,

Kelly Cashman-Grams
Hearing Officer
