AMENDMENT TO THE AGREEMENT BETWEEN DIECA COMMUNICATIONS, INC. D/B/A COVAD COMMUNICATIONS COMPANY AND BELLSOUTH TELECOMMUNICATIONS, INC.

Pursuant to this Amendment, (the "Amendment"), DIECA Communications, Inc. ("Covad") and BellSouth Telecommunications, Inc. ("BellSouth"), hereinafter referred to collectively as the "Parties", hereby agree to amend that certain Interconnection Agreement between the Parties dated December 19, 2001 ("Agreement").

WHEREAS, BellSouth and Covad entered into the Agreement on December 19, 2001, and;

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

- 1. Attachment 1, Resale, Section 6.7 is hereby deleted in its entirety and replaced with new Section 6.7, Deposit Policy, as set forth in Exhibit 1 attached hereto and incorporated herein by this reference.
- 2. Attachment 7, Billing and Billing Accuracy Certification, Section 1.9, Deposit Policy, is hereby deleted it in its entirety and replaced with a new Section 1.9, Deposit Policy, as set forth in Exhibit 1 attached hereto and incorporated herein by this reference.
- 3. All of the other provisions of the Agreement, dated December 19, 2001, shall remain in full force and effect.
- 4. Either or both of the Parties are authorized to submit this Amendment to the respective state regulatory authorities for approval subject to Section 252(e) of the Federal Telecommunications Act of 1996.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be executed by their respective duly authorized representatives and shall be deemed effective the date of the last signature of both Parties.

				Exhibit 1

Attachment 1 – Resale

6.7 Deposit Policy. Covad shall complete the BellSouth Credit Profile and provide information to BellSouth regarding credit worthiness. Based on the results of the credit analysis, BellSouth reserves the right to secure the account with a suitable form of security deposit. Such security deposit shall take the form of cash, an Irrevocable Letter of Credit (BellSouth form), Surety Bond (BellSouth form) or, in BellSouth's sole discretion, some other form of security. The fact that a security deposit has been made in no way relieves Covad from complying with BellSouth's regulations as to advance payments. Any such security deposit shall in no way release Coyad from its obligation to make complete and timely payments of its bill. Covad shall pay any applicable deposits prior to the inauguration of service. If, in the sole opinion of BellSouth, circumstances so warrant and/or gross monthly billing has increased beyond the level initially used to determine the level of security deposit, BellSouth reserves the right to request additional security and/or file a Uniform Commercial Code (UCC-1) security interest in Covad's "accounts receivables and proceeds." Interest on a security deposit, if provided in cash, shall accrue and be paid in accordance with the terms in the appropriate BellSouth tariff. Security deposits collected under this Section shall not exceed two months' estimated billing. In the event Covad fails to remit to BellSouth any deposit requested pursuant to this Section, service to Covad may be terminated, and any security deposits will be applied to Covad's account(s). In the event that Covad defaults on its account, service to Covad will be terminated and any security deposits held will be applied to its account.

Attachment 7 - Billing and Billing Accuracy Certification

1.9 Deposit Policy. Covad shall complete the BellSouth Credit Profile and provide information to BellSouth regarding credit worthiness. Based on the results of the credit analysis, BellSouth reserves the right to secure the account with a suitable form of security deposit. Such security deposit shall take the form of cash, an Irrevocable Letter of Credit (BellSouth form), Surety Bond (BellSouth form) or, in BellSouth's sole discretion, some other form of security. Any such security deposit shall in no way release Covad from its obligation to make complete and timely payments of its bill. Covad shall pay any applicable deposits prior to the inauguration of service. If, in the sole opinion of BellSouth, circumstances so warrant and/or gross monthly billing has increased beyond the level initially used to determine the level of security deposit, BellSouth reserves the right to request additional security and/or file a Uniform Commercial Code (UCC-1) security interest in Covad's "accounts receivables and proceeds." Interest on a security deposit, if provided in cash, shall accrue and be paid in accordance with the terms in the appropriate BellSouth tariff. Security deposits collected under this Section shall not exceed two months' estimated billing. In the event Covad fails to remit to BellSouth any deposit requested pursuant to this Section, service to Covad may be terminated, and any security deposits will be

applied to Covad's account(s). In the event that Covad defaults on its account, service to Covad will be terminated in accordance with Section 1.8 of this Attachment, and any security deposit held will be applied to its account.

In determining whether a security deposit is required, BellSouth will review Covad's Dun & Bradstreet rating and report details, Covad's payment history with BellSouth and payment history with others as available; the number of years Covad has been in business; Covad's management history and managers' length of service with Covad; liens, suits and judgments against Covad; UCC-1 filings against Covad's assets; and to the extent available, Covad's financial information. Upon the conclusion of this review, if BellSouth continues to insist on additional security, at Covad's written request, BellSouth will provide an explanation in writing to Covad justifying the decision for additional deposit.

AMENDMENT TO THE

AGREEMENT BETWEEN DIECA COMMUNICATIONS, INC. d/b/a COVAD COMMUNICATIONS COMPANY AND

BELLSOUTH TELECOMMUNICATIONS, INC. DATED DECEMBER 19, 2001

Pursuant to this Amendment, (the "Amendment"), DIECA Communications, Inc. d/b/a Covad Communications Company ("Covad"), and BellSouth Telecommunications, Inc. ("BellSouth"), hereinafter referred to collectively as the "Parties," hereby agree to amend that certain Interconnection Agreement between the Parties dated December 19, 2001 ("Agreement").

WHEREAS, The Parties desire to amend the Interconnection Agreement entered into on December 19, 2001, to incorporate rates established in North Carolina Utilities Commission Docket No. P-100, Sub 133d, May 1, 2002 Order, and;

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

- Exhibit G of Attachment 1, Exhibit C of Attachment 2, Exhibit A of Attachment 3, and Exhibit A of Attachment 7 is hereby deleted and replaced in its entirety with a new Exhibit G of Attachment 1, Exhibit C of Attachment 2, Exhibit A of Attachment 3, and Exhibit A of Attachment 7 for the state of North Carolina attached hereto an incorporated herein by this reference.
- 2. The Parties hereby agree to delete Section 21.1 of the General Terms and Conditions and replace with new Section 21.1 as follows:
 - 21.1 Every notice, consent, approval, or other communications required or contemplated by this Agreement shall be in writing and shall be delivered by hand, by overnight courier or by US mail postage prepaid, address to:

BellSouth Telecommunications, Inc.

BellSouth Local Contract Manager 8th Floor 600 North 19th Street Birmingham, Alabama 35203

and

ICS Attorney Suite 4300 675 W. Peachtree St. Atlanta, GA 30375 Douglas Carlen Assistant Secretary, DIECA Communications, Inc. d/b/a Covad Communications Company 3420 Central Expressway Santa Clara, CA 95051

and

Catherine F. Boone Vice President, External Affairs Covad Communications Company 1230 Peachtree Street, NE 19th Floor Atlanta, GA 30309

or at such other address as the intended recipient previously shall have designated by written notice to the other Party.

- 3. All of the other provisions of the Agreement, dated December 19, 2001, shall remain in full force and effect.
- 4. Either or both of the Parties is authorized to submit this Amendment to the respective state regulatory authorities for approval subject to Section 252(e) of the Federal Telecommunications Act of 1996.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be executed by their respective duly authorized representatives on the date indicated below.

Version 2Q02: 05/31/02

AMENDMENT TO THE

AGREEMENT BETWEEN DIECA COMMUNICATIONS, INC. d/b/a COVAD COMMUNICATIONS COMPANY AND

BELLSOUTH TELECOMMUNICATIONS, INC. DATED DECEMBER 19, 2001

Pursuant to this Amendment, (the "Amendment"), DIECA Communications, Inc. d/b/a Covad Communications Company ("Covad"), and BellSouth Telecommunications, Inc. ("BellSouth"), hereinafter referred to collectively as the "Parties," hereby agree to amend that certain Interconnection Agreement between the Parties dated December 19, 2001 ("Agreement").

WHEREAS, The Parties desire to amend the Interconnection Agreement entered into on December 19, 2001, to incorporate rates established in North Carolina Utilities Commission Docket No. P-100, Sub 133d, May 1, 2002 Order, and SGAT, May 7, 2002 and;

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

- Exhibit C of Attachment 2, Exhibit A of Attachment 3 and Exhibit A of Attachment 4
 are hereby deleted and replaced in their entirety with a new Exhibit C of Attachment
 2, Exhibit A of Attachment 3 and Exhibit A of Attachment 4 for the state of North
 Carolina, attached hereto an incorporated herein by this reference.
- 2. All of the other provisions of the Agreement, dated December 19, 2001, shall remain in full force and effect.
- 3. Either or both of the Parties is authorized to submit this Amendment to the respective state regulatory authorities for approval subject to Section 252(e) of the Federal Telecommunications Act of 1996.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be executed by their respective duly authorized representatives on the date indicated below.

AMENDMENT TO THE

AGREEMENT BETWEEN DIECA COMMUNICATIONS, INC. d/b/a COVAD COMMUNICATIONS COMPANY

AND BELLSOUTH TELECOMMUNICATIONS, INC. DATED DECEMBER 19, 2001

Pursuant to this Amendment, (the "Amendment"), DIECA Communications, Inc. d/b/a Covad Communications Company ("Covad"), and BellSouth Telecommunications, Inc. ("BellSouth"), hereinafter referred to collectively as the "Parties," hereby agree to amend that certain Interconnection Agreement between the Parties dated December 19, 2001 ("Agreement"). This Amendment shall be deemed effective ten (10) calendar days following receipt of the amendment containing Covad's signature ("Effective Date").

WHEREAS, The Parties desire to amend the Interconnection Agreement entered into on December 19, 2001, to incorporate rates established by the Alabama Public Service Commission ("PSC") in Docket No. 27821, May 31, 2002 Order, and;

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

- Rates contained in Attachment 1, Exhibit G of the Agreement, for ODUF and EODUF elements, are hereby deleted and replaced by rates contained in Exhibit 1 to this Amendment, incorporated herein by this reference.
- 2. Rates contained in Attachment 2, Exhibit C of the Agreement are hereby deleted and replaced by rates contained in Exhibit 2 to this Amendment, incorporated herein by this reference.
- 3. Rates contained in Attachment 3, Exhibit A of the Agreement are hereby deleted and replaced by rates contained in Exhibit 3 to this Amendment, incorporated herein by this reference.
- 4. Rates contained in Attachment 4, Exhibit A of the Agreement are hereby deleted and replaced by rates contained in Exhibit 4 to this Amendment, incorporated herein by this reference.
- 5. Rates contained in Attachment 7, Exhibit A of the Agreement are hereby deleted and replaced by rates contained in Exhibit 5 to this Amendment, incorporated herein by this reference.
- 6. All of the other provisions of the Agreement, dated December 19, 2001, shall remain in full force and effect.
- 7. Either or both of the Parties is authorized to submit this Amendment to the respective state regulatory authorities for approval subject to Section 252(e) of the Federal Telecommunications Act of 1996.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be executed by their respective duly authorized representatives on the date indicated below.

AMENDMENT TO THE

AGREEMENT BETWEEN DIECA COMMUNICATIONS, INC. d/b/a COVAD COMMUNICATIONS COMPANY

AND BELLSOUTH TELECOMMUNICATIONS, INC. DATED DECEMBER 19, 2001

Pursuant to this Amendment, (the "Amendment"), DIECA Communications, Inc. d/b/a Covad Communications Company ("Covad"), and BellSouth Telecommunications, Inc. ("BellSouth"), hereinafter referred to collectively as the "Parties," hereby agree to amend that certain Interconnection Agreement between the Parties dated December 19, 2001 ("Agreement"). This Amendment shall be deemed effective ten (10) calendar days following receipt of the amendment containing Covad's signature ("Effective Date").

WHEREAS, The Parties desire to amend the Interconnection Agreement entered into on December 19, 2001, to incorporate rates established by the Florida Public Service Commission ("PSC") in Docket No. 990649A-TP, September 27, 2002 Order, and;

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

- Florida rates contained in Attachment 1, Exhibit G of the Agreement, for ODUF and EODUF elements, are hereby deleted and replaced by rates contained in Exhibit 1 to this Amendment, incorporated herein by this reference.
- 2. Florida rates contained in Attachment 2, Exhibit C of the Agreement are hereby deleted and replaced by rates contained in Exhibit 2 to this Amendment, incorporated herein by this reference.
- 3. Florida rates contained in Attachment 3, Exhibit A of the Agreement are hereby deleted and replaced by rates contained in Exhibit 3 to this Amendment, incorporated herein by this reference.
- 4. Florida rates contained in Attachment 4, Exhibit A of the Agreement are hereby deleted and replaced by rates contained in Exhibit 4 to this Amendment, incorporated herein by this reference.
- 5. Florida rates contained in Attachment 7, Exhibit A of the Agreement are hereby deleted and replaced by rates contained in Exhibit 5 to this Amendment, incorporated herein by this reference.
- 6. Attachment 2, Sections 4 and 5 of the Agreement are hereby deleted and replaced by the terms and conditions in Exhibit 6 to this Agreement, incorporated by this reference.
- 7. All of the other provisions of the Agreement, dated December 19, 2001, shall remain in full force and effect.
- 8. Either or both of the Parties is authorized to submit this Amendment to the respective state regulatory authorities for approval subject to Section 252(e) of the Federal Telecommunications Act of 1996.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be executed by their respective duly authorized representatives on the date indicated below.

4. Unbundled Network Element Combinations

4.1 For purposes of this Section, references to "Currently Combined" network elements shall mean that the particular network elements requested by Covad are in fact already combined by BellSouth in the BellSouth network. References to "Ordinarily Combined" network elements shall mean that the particular network elements requested by Covad are not already combined by BellSouth in the location requested by Covad but are elements that are typically combined in BellSouth's network. References to "Not Typically Combined" network elements shall mean that the particular network elements requested by Covad are not elements that BellSouth combines for its use in its network.

4.2 Enhanced Extended Links (EELs)

- 4.2.1 EELs are combinations of unbundled loops and unbundled dedicated transport as defined in Section 6. BellSouth shall provide Covad with EELs where they are available.
- 4.2.2 BellSouth will provide access to EELs in the combinations set forth in Section 4.4.1 below.
- 4.2.3 EELs are intended to provide service connectivity from an end user's location through that end user's SWC to Covad's collocation space in a BellSouth central office. The circuit must be connected to the Covad's switch for the purpose of provisioning circuit telephone exchange service to the Covad's end-user customers. Covad may connect EELs within the Covad's collocation space to other transport terminating into Covad's switch. Covad may also connect the local loops listed in Section 4.3.1.3 to an appropriate Unbundled Local Channel to form additional EELs which terminate in Covad's switch. Provided that the entire EEL circuit meets the criteria set forth in Section 4.3.1.3 below, the circuit may, upon Covad's request, terminate to a CLEC's Point of Presence ("POP"). Covad will provide a significant amount of local exchange service over the requested combination, as described in Section 4.3.1 et seq. below. Upon BellSouth's request, Covad shall indicate under what local usage option Covad seeks to qualify. Covad shall be deemed to providing a significant amount of local exchange service over the requested combination if one of the options listed in Section 4.3.1 et seq. is met. BellSouth shall have the right to audit Covad's EELs as specified in Section 4.3.3 below.

4.3 Conversions from Special Access Service to EELs

4.3.1 Covad may not convert existing special access services to combinations of loop and transport network elements, whether or not Covad self-provides its entrance facilities (or obtains entrance facilities from a third party), unless Covad uses the combination to provide a significant amount of local exchange service, in addition to exchange access service, to a

particular customer. To the extent Covad requests to convert any special access services to combinations of loop and transport network elements at UNE prices, Covad shall provide to BellSouth a certification that Covad is providing a significant amount of local exchange service (as described in this Section) over such combinations. The certification shall also indicate under what local usage option Covad seeks to qualify for conversion of special access circuits. Covad shall be deemed to be providing a significant amount of local exchange service over such combinations if one of the following options is met:

- 4.3.1.1 **Option 1:** Covad certifies that it is the exclusive provider of an end user's local exchange service. The loop-transport combinations must terminate at Covad's collocation arrangement in at least one BellSouth central office. This option does not allow loop-transport combinations to be connected to BellSouth's tariffed services. Under this option, Covad is the end user's only local service provider, and thus is providing more than a significant amount of local exchange service. Covad can then use the loop-transport combinations that serve the end user to carry any type of traffic, including using them to carry 100 percent interstate access traffic; or
- 4.3.1.2 **Option 2:** Covad certifies that it provides local exchange and exchange access service to the end user customer's premises and handles at least one third of the end user customer's local traffic measured as a percent of total end user customer local dial tone lines; and for DS1 circuits and above, at least 50 percent of the activated channels on the loop portion of the loop-transport combination have at least 5 percent local voice traffic individually, and the entire loop facility has at least 10 percent local voice traffic. When a loop-transport combination includes multiplexing, each of the individual DS1 circuits must meet this criterion. The loop-transport combination must terminate at Covad's collocation arrangement in at least one BellSouth central office. This option does not allow loop-transport combinations to be connected to BellSouth tariffed services; or
- 4.3.1.3 **Option 3:** Covad certifies that at least 50 percent of the activated channels on a circuit are used to provide originating and terminating local dial tone service and at least 50 percent of the traffic on each of these local dial tone channels is local voice traffic, and that the entire loop facility has at least 33 percent local voice traffic. When a loop-transport combination includes multiplexing, each of the individual DS1 circuits must meet this criterion. This option does not allow loop-transport combinations to be connected to BellSouth's tariffed services. Under this option, collocation is not required. Covad does not need to provide a defined portion of the end user's local service, but the active channels on any loop-transport combination, and the entire facility, must carry the amount of local

exchange traffic specified in this option.

- 4.3.2 In addition, there may be extraordinary circumstances where Covad is providing a significant amount of local exchange service but does not qualify under any of the three options set forth in Section 4.3.1 et seq. In such case, Covad may petition the FCC for a waiver of the local usage options set forth above. If a waiver is granted, then upon Covad's request the Parties shall amend this Agreement to the extent necessary to incorporate the terms of such waiver for such extraordinary circumstance.
- 4.3.3 BellSouth may, at its sole discretion, audit Covad's records in order to verify compliance with the local usage option provided by Covad pursuant to Section 4.3.1. The audit shall be conducted by a third party independent auditor, and Covad shall be given thirty days written notice of scheduled audit. Such audit shall occur no more than one time in a calendar year unless results of an audit find noncompliance with the significant amount of local exchange service requirement. In the event of noncompliance, Covad shall reimburse BellSouth for the cost of the audit. If, based on the audit, Covad is not providing a significant amount of local exchange traffic over the combinations of loop and transport network elements, BellSouth will convert such combinations of loop and transport network elements to special access services in accordance with BellSouth's tariffs and will bill Covad for appropriate retroactive reimbursement. If the Parties disagree as to whether the audits indicate that Covad is not providing a significant amount of local exchange traffic, the dispute will be resolved according to the dispute resolution process set forth in Section 12 of the General Terms and Conditions of this Agreement incorporated herein by this reference.
- In the event Covad converts special access circuits to combinations of loop and transport UNEs pursuant to the terms of this Section, Covad shall be subject to the termination liability provisions in the applicable special access tariffs, if any.
- 4.4 Rates
- 4.4.1 Currently Combined EELs listed below in Sections 4.4.1.1-4.4.1.14 shall be billed at the nonrecurring switch-as-is charge and recurring charges for that combination as set forth in Exhibit C of this Attachment. Currently Combined EELs not listed below shall be billed at the sum of the nonrecurring and recurring charges for the individual network elements that comprise the combination as set forth in Exhibit C of this Attachment.
- 4.4.1.1 DS1 Interoffice Channel + DS1 Channelization + 2-wire VG Local Loop

4.4.1.2 DS1 Interoffice Channel + DS1 Channelization + 4-wire VG Local Loop 4.4.1.3 DS1 Interoffice Channel + DS1 Channelization + 2-wire ISDN Local Loop 4.4.1.4 DS1 Interoffice Channel + DS1 Channelization + 4-wire 56 kbps Local Loop 4.4.1.5 DS1 Interoffice Channel + DS1 Channelization + 4-wire 64 kbps Local Loop 4.4.1.6 DS1 Interoffice Channel + DS1 Local Loop 4.4.1.7 DS3 Interoffice Channel + DS3 Local Loop 4.4.1.8 STS-1 Interoffice Channel + STS-1 Local Loop 4.4.1.9 DS3 Interoffice Channel + DS3 Channelization + DS1 Local Loop 4.4.1.10 STS-1 Interoffice Channel + DS3 Channelization + DS1 Local Loop 4.4.1.11 2-wire VG Interoffice Channel + 2-wire VG Local Loop 4.4.1.12 4wire VG Interoffice Channel + 4-wire VG Local Loop 4.4.1.13 4-wire 56 kbps Interoffice Channel + 4-wire 56 kbps Local Loop 4.4.1.14 4-wire 64 kbps Interoffice Channel + 4-wire 64 kbps Local Loop 4.4.2 Ordinarily Combined EELs listed above shall be billed the sum of the nonrecurring and recurring charges for that combination as set forth in Exhibit C of this Attachment. Ordinarily combined EELs not listed in Sections 4.4.1.1-4.4.1.14 shall be billed the sum of the nonrecurring charges and recurring charges for the individual network elements that comprise the combination as set forth in Exhibit C of this Attachment. 4.4.3 To the extent that Covad requests an EEL combination Not Typically Combined in the BellSouth network, the rates, terms and conditions shall be determined pursuant to the Bona Fide Request Process.

4.5 UNE Port/Loop Combinations

- 4.5.1 Combinations of port and loop unbundled network elements along with switching and transport unbundled network elements provide local exchange service for the origination or termination of calls. Port/loop combinations support the same local calling and feature requirements as described in the Unbundled Local Switching or Port section of this Attachment 2 and the ability to presubscribe to a primary carrier for intraLATA toll service and/or to presubscribe to a primary carrier for interLATA toll service.
- 4.5.2 BellSouth shall make available UNE port/loop combinations, regardless of whether such combinations are Currently Combined, as long as such combinations are Ordinarily Combined in BellSouth's network.
- 4.5.3 Except as set forth in Section 4.5.4 below, BellSouth shall provide UNE port/loop combinations described in Section 4.5.6 below that are Currently Combined or Ordinarily Combined in BellSouth's network at the cost-based rates in Exhibit C. Except as set forth in Section 4.5.4 below, BellSouth shall provide UNE port/loop combinations not described in Section 4.5.6 below or Not Typically Combined Combinations in accordance with the Bona Fide Request process.
- 4.5.4 BellSouth is not required to provide combinations of port and loop network elements on an unbundled basis in locations where, pursuant to FCC rules, BellSouth is not required to provide circuit switching as an unbundled network element.
- 4.5.4.1 BellSouth shall not be required to provide local circuit switching as an unbundled network element in density Zone 1, as defined in 47 CFR 69.123 as of January 1, 1999 of the Atlanta, GA; Miami, FL; Orlando, FL; Ft. Lauderdale, FL; Charlotte-Gastonia-Rock Hill, NC; Greensboro-Winston Salem-High Point, NC; Nashville, TN; and New Orleans, LA, MSAs to Covad if Covad's customer has 4 or more DS0 equivalent lines.
- 4.5.4.2 Notwithstanding the foregoing, BellSouth shall provide combinations of port and loop network elements on an unbundled basis where, pursuant to FCC rules, BellSouth is not required to provide local circuit switching as an unbundled network element and shall do so at the market rates in Exhibit C. If a market rate is not set forth in Exhibit C for a UNE port/loop combination, such rate shall be negotiated by the Parties.
- 4.5.5 BellSouth shall make 911 updates in the BellSouth 911 database for Covad's UNE port/loop combinations. BellSouth will not bill Covad for 911 surcharges. Covad is responsible for paying all 911 surcharges to the applicable governmental agency.
- 4.5.6 Combination Offerings
- 4.5.6.1 2-wire voice grade port, voice grade loop, unbundled end office switching, unbundled end office trunk port, common transport per mile per MOU,

- common transport facilities termination, tandem switching, and tandem trunk port.
- 4.5.6.2 2-wire voice grade Coin port, voice grade loop, unbundled end office switching, unbundled end office trunk port, common transport per mile per MOU, common transport facilities termination, tandem switching, and tandem trunk port.
- 4.5.6.3 2-wire voice grade DID port, voice grade loop, unbundled end office switching, unbundled end office trunk port, common transport per mile per MOU, common transport facilities termination, tandem switching, and tandem trunk port.
- 4.5.6.4 2-wire CENTREX port, voice grade loop, CENTREX intercom functionality, unbundled end office switching, unbundled end office trunk port, common transport per mile per MOU, common transport facilities termination, tandem switching, and tandem trunk port.
- 4.5.6.5 2-wire ISDN Basic Rate Interface, voice grade loop, unbundled end office switching, unbundled end office trunk port, common transport per mile per MOU, common transport facilities termination, tandem switching, and tandem trunk port.
- 4.5.6.6 4-wire ISDN Primary Rate Interface, DS1 loop, unbundled end office switching, unbundled end office trunk port, common transport per mile per MOU, common transport facilities termination, tandem switching, and tandem trunk port.
- 4.5.6.7 4-wire DS1 Trunk port, DS1 Loop, unbundled end office switching, unbundled end office trunk port, common transport per mile per MOU, common transport facilities termination, tandem switching, and tandem trunk port.
- 4.5.6.8 4-wire DS1 Loop with normal serving wire center channelization interface, 2-wire voice grade ports (PBX), 2-wire DID ports, unbundled end office switching, unbundled end office trunk port, common transport per mile per MOU, common transport facilities termination, tandem switching, and tandem trunk port.

4.6 Other UNE Combinations

- 4.6.1 BellSouth shall provide other Currently Combined and Ordinarily Combined and Not Typically Combined UNE Combinations to Covad in addition to those specifically referenced in this Section 4 above, where available. Such combinations shall not be connected to BellSouth tariffed services. To the extent Covad requests a combination for which BellSouth does not have methods and procedures in place to provide such combination, rates and/or methods and procedures for such combination will be developed pursuant to the BFR/NBR process.
- 4.6.2 Rates

4.6.3 The rates for Ordinarily Combined UNE Combinations shall be the sum of the recurring rates and nonrecurring rates for the stand-alone network elements as set forth in Exhibit C of this Attachment. The rates for Currently Combined UNE Combinations shall be the sum of the recurring rates for the stand-alone network elements as set forth in Exhibit C, in addition to a nonrecurring charge set forth in Exhibit C. To the extent Covad requests a Not Typically Combined Combination, or to the extent Covad requests any combination for which BellSouth has not developed methods and procedures to provide such combination, rates and/or methods and procedures for such combination shall be established pursuant to the BFR/NBR process.

AMENDMENT TO THE

AGREEMENT BETWEEN DIECA COMMUNICATIONS, INC. d/b/a COVAD COMMUNICATIONS COMPANY

AND BELLSOUTH TELECOMMUNICATIONS, INC. DATED DECEMBER 19, 2001

Pursuant to this Amendment, (the "Amendment"), DIECA Communications, Inc. d/b/a Covad Communications Company ("Covad"), and BellSouth Telecommunications, Inc. ("BellSouth"), hereinafter referred to collectively as the "Parties," hereby agree to amend that certain Interconnection Agreement between the Parties dated December 19, 2001 ("Agreement").

WHEREAS, The Parties desire to amend the Interconnection Agreement entered into on December 19, 2001, and;

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

- The Parties hereby agree to delete Section 21.1 of the General Terms and Conditions and replace with new Section 21.1 as follows:
 - 21.1 Every notice, consent, approval, or other communications required or contemplated by this Agreement shall be in writing and shall be delivered by hand, by overnight courier or by US mail postage prepaid, address to:

BellSouth Telecommunications, Inc.
