In re: *Approval of the Amendment to the Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. and the Electric Power Board of Chattanooga Pursuant to Sections 251 and 252 of the Telecommunications Act of 1996*

Docket No. _____

PETITION FOR APPROVAL OF THE
AMENDMENT TO THE INTERCONNECTION AGREEMENT
NEGOTIATED BETWEEN BELL SOUTH TELECOMMUNICATIONS, INC.
AND THE ELECTRIC POWER BOARD OF CHATTANOOGA
PURSUANT TO THE TELECOMMUNICATIONS ACT OF 1996

COME NOW, the Electric Power Board of Chattanooga ("EPB") and BellSouth Telecommunications, Inc., ("BellSouth"), and file this request for approval of the Amendment to the Interconnection Agreement dated May 16, 2001 (the "Amendment") negotiated between the two companies pursuant to Sections 251 and 252 of the Telecommunications Act of 1996, (the "Act"). In support of their request, EPB and BellSouth state the following:

1. EPB and BellSouth have successfully negotiated an agreement for interconnection of their networks, the unbundling of specific network elements offered by BellSouth and the resale of BellSouth's telecommunications services to EPB. The Interconnection Agreement was approved by the Tennessee Regulatory Authority ("TRA") on August 17, 2001.

2. The parties have recently negotiated an Amendment to the Agreement which incorporates rates for UNE Port USOCs associated with CR0756, UNE-Platform Call Scope Changes and UNE Port PBX USOCs. A copy of the Amendment is attached hereto and incorporated herein by reference.

3. Pursuant to Section 252(e) of the Telecommunications Act of 1996, EPB and BellSouth are submitting their Amendment to the TRA for its consideration and approval. The Amendment provides that either or both of the parties is authorized to submit this Amendment to the TRA for approval.

4. In accordance with Section 252(e) of the Act, the TRA is charged with approving or rejecting the negotiated Amendment between BellSouth and EPB within 90 days of its submission. The Act provides that the TRA may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity.

5. EPB and BellSouth aver that the Amendment is consistent with the standards for approval.

6. Pursuant to Section 252(i) of the Act, BellSouth shall make the Agreement available upon the same terms and conditions contained therein.

EPB and BellSouth respectfully request that the TRA approve the Amendment negotiated between the parties.

This 27th day of Jan, 2003.

Respectfully submitted,

BELLSOUTH TELECOMMUNICATIONS, INC.
