RE: Statement of Generally Available Terms and Conditions (SGAT)
TRA Docket 03-00079)

Dear Mr. Werner:

In the Authority's special conference on August 26, 2002, the TRA approved BellSouth's SGAT. The TRA Staff requested that we revise the format of this document to present this information like a tariff, to the extent possible.

Attached are two paper copies and a CD containing the fourth revision to the original SGAT. This revision is consistent with information filed with the Authority on January 28, 2003 and approved during the Authority's April 24, 2003 Conference. The approving Order was issued on May 30, 2003. BellSouth filed corrections consistent with the Authority's Order on July 8, 2003. We are attaching copies of each SGAT Section being revised and including an explanation of these revisions.

This filing completes revisions to the tariff format version of the Tennessee SGAT. Please contact me at 214-3839 if there are any questions.

Sincerely,

Paul Stinson
