Good morning, Javier! I hope your 2026 has started off smoothly and productively. I am

working on getting things lined up for our next Commission Conference and am following up to see if Bullseye/Lingo was able to get everything completed and filed to finalize their transfer by the end of the year as they projected. Thank you in advance for your assistance!

Good Morning Aaron,

Unfortunately they have not been able to complete all that needs to be done. They told me they hope to have it done by the end of the year.

Tomorrow is our internal deadline for having dockets ready for our December Commission

Conference for consideration. Has Bullseye/Lingo gotten all of the transfer documentation completed so that we can cancel the Bullseye CCN per their request?

Thanks,
Aaron

Hello Aaron,

We are still working out the transfer agreement for some of the remaining services that were omitted from the prior transfer agreement. The team is working on wrapping it up soon. In the meantime, Lingo is receiving and paying some invoices labeled as Bullseye. I will follow up with the team next week to see if they can provide any additional status.

Thanks,

Javier Rodriguez

1 pm will be great for me. I have attached the last email received from Gary Volluz in our docket re: Bullseye Telecom's request for cancellation so you will have a better understanding about what the last status was.

Thanks,
Aaron
