In re: *Approval of the Amendment to the Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. and Comm South Companies, Inc. Pursuant to Sections 251 and 252 of the Telecommunications Act of 1996*

Docket No. _____

PETITION FOR APPROVAL OF THE
AMENDMENT TO THE INTERCONNECTION AGREEMENT
NEGOTIATED BETWEEN BELL SOUTH TELECOMMUNICATIONS, INC.
AND COMM SOUTH COMPANIES, INC.
PURSUANT TO THE TELECOMMUNICATIONS ACT OF 1996

COME NOW, Comm South Companies, Inc. ("Comm South") and BellSouth Telecommunications, Inc., ("BellSouth"), and file this request for approval of the Amendment to the Interconnection Agreement dated July 4, 2002 (the "Amendment") negotiated between the two companies pursuant to Sections 251 and 252 of the Telecommunications Act of 1996, (the "Act"). In support of their request, Comm South and BellSouth state the following:

1. Comm South and BellSouth have successfully negotiated an agreement for interconnection of their networks, the unbundling of specific network elements offered by BellSouth and the resale of BellSouth's telecommunications services to Comm South. The Interconnection Agreement was filed with the Tennessee Regulatory Authority ("TRA") for approval on January 20, 2003.

2. The parties have recently negotiated an Amendment to the Agreement which adds port USOCs to Attachment 2 and changes the name of the company in Florida to Comm South Companies, Inc. d/b/a Florida Comm South. A copy of the Amendment is attached hereto and incorporated herein by reference.

3. Pursuant to Section 252(e) of the Telecommunications Act of 1996, Comm South and BellSouth are submitting their Amendment to the TRA for its consideration and approval. The Amendment provides that either or both of the parties are authorized to submit this Amendment to the TRA for approval.

4. In accordance with Section 252(e) of the Act, the TRA is charged with approving or rejecting the negotiated Amendment between BellSouth and Comm South within 90 days of its submission. The Act provides that the TRA may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity.

5. Comm South and BellSouth aver that the Amendment is consistent with the standards for approval.

6. Pursuant to Section 252(i) of the Act, BellSouth shall make the Agreement available upon the same terms and conditions contained therein.

Comm South and BellSouth respectfully request that the TRA approve the Amendment negotiated between the parties.

This 5th day of March, 2003.

Respectfully submitted,

BELLSOUTH TELECOMMUNICATIONS, INC.
