Re: Petition of Chattanooga Gas Company, Nashville Gas Company,  
a division of Piedmont Natural Gas Company, Inc. and Atmos  
Energy Corporation for a Declaratory Ruling regarding the  
Collectibility of the Gas Cost Portion of Uncollectable Accounts  
under the Purchase Gas Adjustment ("PGA") Rules  
Docket No. 03-00209

Dear Vance:

In the supplemental responses to discovery requests that were filed on behalf of Chattanooga Gas Company on Friday, September 19, 2003, the company indicated that it would provide the Consumer Advocate and Protection Division with 160 CDs with customer information on September 26, 2003. Since the filing of those responses, it is my understanding that Dan McComack of the Consumer Advocate and Protection Division has spoken with Archie Hickerson of AGL Resources and indicated that he does not want the CDs and has requested the company to provide some alternative information. Mr. Hickerson is seeking to determine if the alternative information is available, thus, Chattanooga Gas Company will not be filing the CDs with customer information today.
