Mr. Billek,

We received the request to cancel the certification of Entrix Telecom, Inc. to provide telecommunications services in Tennessee. Can you provide the following information?

- 1) Does Entrix have customers in Tennessee currently?
- 2) If so, have those customers been notified of the need to find a new long distance carrier? Provide a copy of the notification letter.

If you have questions about this inquiry, feel free to call me at 615-770-6886.

Thanks,
