*Implementation of the Federal Communications Commission's
Triennial Review Order (Nine-month Proceeding) (Loop & Transport)*
Docket No. 03-00527

Dear Chairman Tate

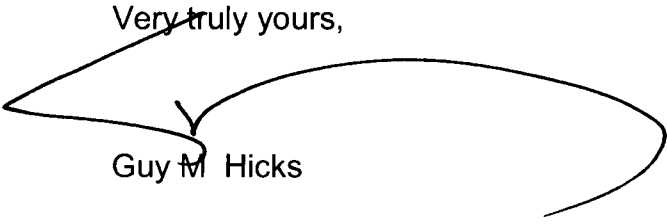

On Friday, April 2, 2004, BellSouth and CompSouth filed a letter memorializing their agreement to submit certain documents into the records of the referenced dockets, subject to the right of the parties to make legal objections and to engage in cross-examination at a future date established by the Authority. Exhibit B consisted of CompSouth and individual CLECs' pre-filed testimony and exhibits; and BellSouth's responses to CompSouth and individual CLEC discovery previously filed with the Authority. After the filing was made, it was discovered that the list of AT&T's Testimony and Exhibits had been inadvertently omitted.

For the convenience of the Authority, enclosed are fifteen copies of a replacement Exhibit B which includes the previously-omitted information regarding AT&T's witnesses and exhibits. We apologize for any inconvenience this omission may have caused.

Hon. Deborah Taylor Tate

Copies of the enclosed are being provided to counsel of record.

Very truly yours,
