*Implementation of the Federal Communications Commission's
Triennial Review Order (Nine-month Proceeding) (Loop & Transport)*
Docket No. 03-00527

Dear Chairman Tate:

On April 2, 2004, BellSouth and CompSouth jointly submitted a detailed list of the pre-filed Tennessee testimony and exhibits for the Tennessee TRO record. BellSouth and CompSouth also submitted attachments with lists of specified documents from the Georgia and Florida TRO proceedings. The parties stated in their letter of April 2 that CD ROM copies of the agreed-upon documents from the Georgia and Florida proceedings would be submitted to the Authority as well.

Consistent with the April 2 letter, BellSouth and CompSouth are enclosing three CD ROMs of public documents from the Florida Switching proceeding (Docket No. 030851-TP), the Florida High Capacity Loop and Transport Proceeding (Docket No. 030852-TP), and the Georgia Switching Proceeding (Docket No. 17749-U). Three additional CD ROMs of proprietary documents from these Florida and Georgia TRO proceedings are being submitted under separate cover subject to

the terms of the Protective Order. Both the proprietary and nonproprietary documents are described in Appendices 1, 2 and 3 to this letter. The enclosed Appendices provide a more detailed description of the documents than the attachments to the April 2, 2004 letter.

Copies of this letter and the enclosed Appendices are being provided to counsel of record via electronic service. Any party who would like copies of the CD ROMs may contact my office.

Very truly yours,
