Subject: TRO Proceedings - Data Requests
Importance: High

Meredith - My apologies for TelCove's very late responses to many of Bellsouth's data requests in the Triennial Review Proceedings. We lost two attorneys in the past 8 weeks, so there are now two regulatory attorneys struggling to keep up with all of the TelCove matters across the country. I've put a push on the TRO proceedings this weekend and wanted to provide you an update of when information will be flowing your direction. Please call me if you, or any of the other BellSouth attorneys have any questions or concerns. I appreciate your patience while we locate more in-house help.

Jennifer
