In re: *Approval of the Amendment to the Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. and Tele-Sys, Inc. d/b/a Access America Telephone Co. Pursuant to Sections 251 and 252 of the Telecommunications Act of 1996*

Docket No. _____

PETITION FOR APPROVAL OF THE
AMENDMENT TO THE INTERCONNECTION AGREEMENT
NEGOTIATED BETWEEN BELL SOUTH TELECOMMUNICATIONS, INC.
AND TELE-SYS, INC. D/B/A ACCESS AMERICA TELEPHONE CO.
PURSUANT TO THE TELECOMMUNICATIONS ACT OF 1996

COME NOW, Tele-Sys, Inc. d/b/a Access America Telephone Co. ("Tele-Sys") and BellSouth Telecommunications, Inc., ("BellSouth"), and file this request for approval of the Amendment to the Interconnection Agreement dated March 20, 2002 (the "Amendment") negotiated between the two companies pursuant to Sections 251 and 252 of the Telecommunications Act of 1996, (the "Act"). In support of their request, Tele-Sys and BellSouth state the following:

1. Tele-Sys and BellSouth have successfully negotiated an agreement for interconnection of their networks, the unbundling of specific network elements offered by BellSouth and the resale of BellSouth's telecommunications services to Tele-Sys. The Interconnection Agreement was approved by the Tennessee Regulatory Authority ("TRA") on June 11, 2002.

2. The parties have recently negotiated an Amendment to the Agreement which adds USOCs and rates to Attachment 2 for CREX7, On/Off Premises and E911 Locator Capability. A copy of the Amendment is attached hereto and incorporated herein by reference.

3. Pursuant to Section 252(e) of the Telecommunications Act of 1996, Tele-Sys and BellSouth are submitting their Amendment to the TRA for its consideration and approval. The Amendment provides that either or both of the parties is authorized to submit this Amendment to the TRA for approval.

4. In accordance with Section 252(e) of the Act, the TRA is charged with approving or rejecting the negotiated Amendment between BellSouth and Tele-Sys within 90 days of its submission. The Act provides that the TRA may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity.

5. Tele-Sys and BellSouth aver that the Amendment is consistent with the standards for approval.

6. Pursuant to Section 252(i) of the Act, BellSouth shall make the Agreement available upon the same terms and conditions contained therein.

Tele-Sys and BellSouth respectfully request that the TRA approve the Amendment negotiated between the parties.

This 23rd day of October, 2003.

Respectfully submitted,

BELLSOUTH TELECOMMUNICATIONS, INC.
