Petition for Arbitration of the Interconnection Agreement Between BellSouth Telecommunications, Inc. and XO Tennessee, Inc. Pursuant to Section 252(B) of the Telecommunications Act of 1996

TRA Docket No. 03-00630

The above referenced docket was opened upon the filing of a petition by XO Tennessee, Inc. on December 11, 2003. Since that time this docket has remained open pending negotiations between the parties. On June 10, 2005 the parties reported that they were engaged in negotiations at a regional level concerning an interconnection agreement that would apply to Tennessee as well as other states in the BellSouth region.

On March 16, 2007, the parties reported that negotiations were continuing but that there was nothing new to report in terms of a settlement. Inasmuch as no such filing has been submitted since that date in this docket, the parties are hereby directed to file an update on the status of their negotiations no later than **2:00 p.m. on Tuesday, July 8, 2008**. Thank you for your attention to this matter.

Very truly yours,
