Re: Petition of Chattanooga Gas Company for Approval of Adjustment
of its Rates and Charges and Revised Tariff
Docket Number 04-00034

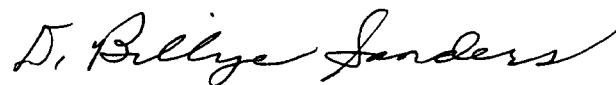

Dear Chairman Miller,

In his Order dated July 12, 2004 in this docket, the Hearing Officer directed Chattanooga Gas Company to identify all rates, charges, schedules, or classifications in its July 9, 2004 tariff on file for 6 months and suspended the effectiveness of all other rates, charges, schedules or classifications in the July 9, 2004 tariff. Pursuant to that order, Chattanooga Gas Company hereby files the attached verified summary of rates that have been on file for 6 months as of July 26, 2004 and tariff changes that have not been on file for 6 months as of July 26, 2004. As indicated on the summary, the filing made on February 27, 2004 was made to correct typographical errors in the weighting factors in the equation used to determine the index cost of gas for the cash out of monthly imbalances provision for T-1 and T-2 customers. On the original filing made January 26, 2004, the percentages did not add up to 100%. Chattanooga Gas Company will delay implementing the new cash out provisions for monthly imbalances until August 27, 2004. All other rates in the summary will be placed in effect for billing cycles on or after August 1, 2004.

Tariff Changes not on File Six (6) Months as of July 26, 2004

On February 27, 2004 replacement pages for Sixth Revised Tariff Sheets No. 30B and 31B were filed to correct typographical errors on the corresponding pages that were initially filed on January 26, 2004. The corrections were to the "Cash Out of Monthly Imbalances" provisions included in Rate Schedule T-1 and Rate Schedule T-2. The impact of the corrections was to properly present the equation used to compute the Daily Index Cost of Gas used to determine the amount of any cash out payment due from or to a transportation customer who's consumption during the month differs from the amount of gas that the customer had delivered to the city gate by 5% or more.

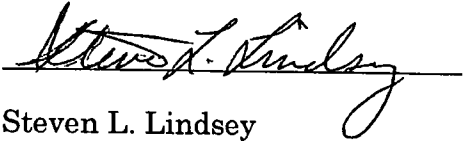

CGC will delay implementing the new cash out provision until August 27, 2004.
