May 10, 2011

Hon. Mary Freeman, Chairman
Tennessee Regulatory Authority
460 James Robertson Parkway
Nashville, Tennessee 37243

04-00150

Dear Chairman Freeman,

On May 2, 2009, AT&T Tennessee declared a force majeure event due to severe storm damage caused by the unusually severe storms in Tennessee beginning April 25 pursuant to Section 4.5.2 of AT&T Tennessee's Self Effectuating Enforcement Mechanisms Administration Plan ("Plan"). We are pleased to report that restoration efforts have progressed sufficiently to remove some wire centers from the force majeure declaration effective May 7, 2011. Those wire centers are listed in the attachment.

The remaining Tennessee wire centers will remain in the force majeure declaration for the immediate future, but we will notify you when they, too, have been removed.

Please contact me at (615) 214-3839 if there are any questions.

Sincerely,

Paul Stinson
