Hon. Mary Freeman, Chairman
Tennessee Regulatory Authority
460 James Robertson Parkway
Nashville, Tennessee 37243

filed electronically in docket office on 05/16/11

Dear Chairman Freeman,

On May 2, 2009, AT&T Tennessee declared a force majeure event due to severe storm damage caused by the unusually severe storms in Tennessee beginning April 25 pursuant to Section 4.5.2 of AT&T Tennessee's Self Effectuating Enforcement Mechanisms Administration Plan ("Plan"). We are pleased to report that restoration efforts have progressed sufficiently to remove some wire centers from the force majeure declaration effective May 16, 2011. An additional wire center is also included with an force majeure end date of May 9, 2011. Those wire centers are listed in the attachment.

The remaining Tennessee wire centers will remain in the force majeure declaration for the immediate future, but we will notify you when they, too, have been removed.

Please contact me at (615) 214-3839 if there are any questions.

Sincerely,

A handwritten signature in cursive script that reads "Paul Stinson".
