RE: Revised Customer Notification Letter for Docket 04-00242: Joint Application of Network US, Inc. d/b/a CA Affinity and Motion Telecom, Inc. for Approval of an Asset Purchase Agreement

Dear Ms. Sands:

During the May 16, 2005, Tennessee Regulatory Authority (TRA) Conference Hearing, the panel of Directors for the above-referenced docket ordered the Applicants to provide the TRA with a copy of their revised and/or modified customer notification letter that informed customers they would receive a thirty (30) day written notice of any rate increase implemented within ninety (90) days from the date of the transfer.

As of today, the TRA has not received a copy of the revised and/or modified customer notification letter. We are requesting that a copy of the revised and/or modified customer notification letter be filed in TRA Docket No. 04-00242 within ten (10) business days from the receipt of this letter.

If you have any questions regarding this request, please call Carlos Black at 615-741-2904, ext. 196.

Sincerely,

Aster Adams, Chief
