Re: Docket No. 04-00282 - Startec Global Licensing Company
REQUEST TO CANCEL AUTHORITY

Dear Chairman Roberson:

On behalf of Startec Global Communications Corporation ("SGCC"), this letter requests that the Tennessee Regulatory Authority ("Authority") cancel Startec Global Licensing Company's ("SGLC") authorization to provide resold interexchange telecommunications services. In Docket No. 07-00082, the Authority issued an Order on August 12, 2007, approving the *pro forma* merger of SGLC into Startec Global Operating Company ("SGOC"), which SGOC survived. As a result of the *pro forma* merger, SGLC's corporate existence was extinguished and, therefore, SGLC does not require its authorization to provide telecommunications services.

An original and thirteen (13) copies of this Request are enclosed for filing. Please date-stamp the extra copy of this filing and return it in the envelope provided. Should you have any questions please do not hesitate to contact Brett Ferenczak at (202) -373-6697.

Respectfully submitted,

Catherine Wang
