Jodie,

I just realized the initial letter you sent dated November 30, 2023 has the incorrect docket number on it. Docket No. 08-00137 was an acquisition docket, whereby Telecom Management acquired the customers of Broadwing. Can you just remove the 08-00137 Docket No. from your letter, and insert Docket Nos. 04-00316 and 07-00036? And email that letter to [TPUC.DocketRoom@tn.gov](mailto:TPUC.DocketRoom@tn.gov)

As you can see from the links below, Telecom Management was granted CCNs in 04-00316 and 07-00036. And we have to cancel CCNs in the docket numbers in which they were granted. These will be on the February 2024 Agenda.

<https://share.tn.gov/tra/dockets/0700036.htm>

<https://share.tn.gov/tra/dockets/0800137.htm>

You can use the same cancellation request letter, just update and refile with 04-00316 and 07-00036 instead of 08-00137. That will make it less confusing going forward. Contact me if you have questions.

Hi Jodie,

I didn't see the cancellation request in docket No. 07-00036, which is where Telecom Management was granted their long distance resale authority. I searched again and found it under docket no. 08-00137, which is the local resale docket number. I will get this cancellation for both docket numbers on the February Conference Agenda.

And yes, you are correct, if Telecom Management is requesting to be cancelled, they would no longer need the bond.

Thanks for clearing up the issue. Have a great weekend!

Hi Lisa,

Telecom Management, Inc. dba Pioneer Management requested a withdraw of their certificate during 4Q23 so they would not need the bond – correct?
