RE: Tennessee Department of Environment and Conservation ("TDEC") permits
 pursuant to TRA Rule 1220-4-13-.04. (1)(c)

Dear Mr. Cochrane:

Following is a list of territories that have been granted a Certificate of Convenience and Necessity (CCN), but the authority has not received a copy of the final TDEC permits.

1. Old Cartwright Creek Utility	Docket No. 96-00758	TN-0027278
2. Waterbridge Development (PGA 5)	Docket No. 04-00358	SOP-04019
3. Burrus Ridge	Docket No. 06-00005	SOP-05063

Please file a copy of the final TDEC permit with the Docket Room for placement in the docket file. If a final permit has not been received, provide the status of the permit stating whether the application has been filed. If not, why not? If filed, provide a complete status of application at TDEC (if pending, why pending) (if project on hold, why is it on hold) and estimated date for completion of the project in each of the above Dockets no later than 2:00 P.M. on Friday, June 6, 2008.

Should you have any questions regarding this request, please contact Michelle Ramsey at 615-741-2904 ext. 172.

Sincerely,

Darlene Standley
 Chief of Utilities Division
