Nashville, Tennessee 37243-0505

RE: Docket No. 04-00434 – Wastewater Forum

I am writing in response to your letter to Mayor Nancy Allen regarding bonding requirements for decentralized wastewater systems.

Per Consolidated Utility District's Board of Commissioners' action of August 29, 2000, a bond must be posted in the amount of \$1,000 per lot with a minimum of \$50,000. The bond must be held for 18 months after construction and upon CUD accepting the system.

Please let me know if you have any questions or comments.

Thanking You,

Larry K. McElroy
General Manager

LKM/cj

Re: Docket No. 04-00434-Wastewater Forum

Dear Ms. Standley:

Union County does not require any type of bond before a wastewater utility can construct or operate within Union County. I hope this answers the question listed in your letter dated March 30, 2005.

Sincerely,

Larry Lay
Union County Mayor

Re: Docket No. 04-00434 – Wastewater Forum

Dear Chief Standley:

Cocke County Government does not nor does it plan to operate any wastewater companies. Therefore, we do not require any type of bond nor have any requirements pertaining to bonds for that purpose.

Sincerely,

Re: Docket No. 04-00434 – Wastewater Forum

Dear County Mayor:

The Tennessee Regulatory Authority is researching various issues relative to wastewater utilities and requests your assistance in completing our study. Please answer the following questions regarding any bonding requirements that your county imposes on wastewater companies operating (or planning to operate) within your county's geographical boundaries.

1. Does your county require any type of bond to be in place before a wastewater utility can construct or operate within your county? If so, what type of bond is required?
2. What is the amount of bond that a utility must post, before receiving approval to construct the system within your jurisdiction?
3. What is the amount of bond that a utility must post, before receiving approval to operate the system within your jurisdiction?
4. What is the required term of the bond(s)?
5. If there is a bonding requirement in your county, are there any exemptions to that requirement? If so, please list or describe the exemptions permitted.

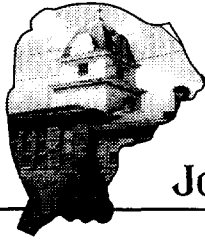

Thank you for your time and attention regarding this matter. Please provide a written response by April 15, 2005. If you have any questions regarding this request, please contact Butch Phillips at 1-800-342-8359, ext. 183 for clarification before responding.

Sincerely,

Darlene Standley
Chief
Utilities Division

*I don't know of any bonding requirements
for wastewater companies in our county.*

Re: Docket No. 04-00434 – Wastewater Forum

Dear Ms. Standley,

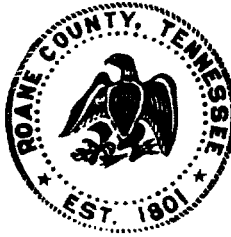

This correspondence is in regard to your request a few weeks back concerning bonding regulations on wastewater utilities operating or planning to operate in Wilson County. At the present time, Wilson County does not impose any bonding requirements on wastewater companies.

I apologize for the delay in our response. Our office had forwarded your earlier request to another department for the correct answers and we had not received the information.

If you have additional questions, please feel free to contact my office.

Sincerely,

Robert Dedman
Wilson County Mayor

Re:Docket # 04-004434

Dear Ms. Standley:

Please accept our apologies for our delayed reply to your March 30, 2005 letter. It was misplaced and therefore you did not receive a response. Our responses are as follows:

1. Roane County does not require any type bond to be in place before a wastewater utility can construct or operate in our county.
2. Not applicable
3. Not applicable
4. Not applicable
5. Not applicable

If you have any additional questions, please feel free to call our office.

Sincerely,

Joyce Nall
Assistant to the County Mayor
