BEFORE THE TENNESSEE REGULATORY AUTHORITY

IN RE: FORMAL COMPLAINT BY KINGS)
CHAPEL CAPACITY, LLC AGAINST) DOCKET NO. 05-00016
TENNESSEE WASTEWATER SYSTEMS)
REGARDING ABUSE OF ITS CCN)

PETITION TO INTERVENE

Pursuant to T.C.A. 4-5-310(3)(b) B & B Concrete Products Inc., hereby petitions to intervene in the above captioned proceeding.

B&B Concrete Products Inc. is an independent marketer and manufacturer of wastewater parts and materials. B&B Concrete Products Inc. competes with Tennessee Wastewater Systems ("TWS") and/or its unregulated affiliates to provide wastewater parts and materials to developers and end users. The policies and decisions of the Tennessee Regulatory Authority regarding the abuse of TWS' CCN affect the competitive environment for an unregulated provider of wastewater parts and materials such as B&B Concrete Products Inc. The resolution of these abuse issues in this docket may affect Petitioner's legal rights, duties, privileges, immunities, or other legal interests and may be determined in this proceeding.

The granting of this Petition will not impair the interest of justice or the orderly and prompt conduct of these proceedings.

Wherefore, the Petitioner respectfully prays that the Authority grant its Petition to Intervene and grant such other relief as may be appropriate.
