Re: Formal Complaint by Kings Chapel Capacity, LLC Against Tennessee
Wastewater Services Regarding Abuse of Its CCN
Docket No. 05-00016

Dear Chairman Kyle:

For some time now, my colleagues and I have monitored this proceeding before the Tennessee Regulatory Authority. We are concerned over the serious allegations included in this complaint because we have received corroborating evidence that strongly supports its validity.

As you can imagine, we were quite surprised to learn that the TRA dismissed this complaint at its Conference on March 12th. We are therefore petitioning TRA to reconsider its decision dismissing this docket in accordance with T.C.A. §4-5-317 and 65-2-102 as well as TRA Rule 1220-1-2-.20.

Sincerely,

Sen. Mae Beavers

Rep. Susan Lynn
