Re: CommPartners, LLC – Notice of Withdrawal of CPCN

Dear Utilities Chief:

This letter serves as notice that CommPartners, LLC is requesting a withdrawal of its Certificate of Public Convenience and Necessity to provide competing local telecommunication services in the State of Tennessee. The original order was issued on December 9, 2005, in Docket No. 05-00047. Our surety bond has expired and we have chosen not to renew it, so therefore, are withdrawing our CPCN.
