**Re: KING'S CHAPEL CAPACITY'S PETITION FOR A DECLARATORY
RULING REGARDING THE ASSIGNMENT OF WASTEWATER
SERVICE TERRITORY TO PRIVATE UTILITIES IN TENNESSEE.
DOCKET 05-00062.**

Dear Chairman Kyle:

King's Chapel Capacity ("KCC") would like to formally renew its motion to the Tennessee Regulatory Authority for a declaratory ruling in this docket and ask the voting panel assigned to this docket to now make its ruling.

On May 18, 2006, the hearing officer assigned to this case sent a notice to the intervening parties in this docket, reminding them that any response they wished to make to KCC's petition was due to be filed no later than May 23, 2006. There has been no settlement in this docket between the parties, and the issues in this docket are completely unrelated to TRA Dockets 04-00335 and 05-00016 as suggested in the Hearing Officer's letter of May 18th.

Since no response was filed by any intervening party to the Hearing Officer's letter of May 18th, KCC believes that now is the time for the Authority to rule on this matter.

Sincerely,

John Powell
General Manager
