~~John Mark~~
Dear Representative Windle

I appreciate your letter regarding sewer services for consumers of Fentress County. It is my understanding that Tennessee Wastewater Service has applied to serve Fentress County and the information necessary to process the application was received this past week. Accordingly, I will ask that this application be placed on the next Authority hearing calendar for consideration.

Again, thank you for your interest and please contact me should you have further questions. I am

Yours truly,

PAT
