Dear Ms. Kyle.

05-00162

I would like to thank you for taking time to meet with us and observing the proposed service area in South Fentress and approving the petition submitted by Tennessee Waste Water. As the County Executive of this great area, I am relieved and appreciative of your support. The potential for that portion of the county could never come to fruition without the decisions that you made. I hope to see our county become a foremost location in this fine state.

Again, much gratitude in your support. If you have any questions or comments concerning our recent meeting please feel free to call.

Sincerely,

John B. Mullinix
County Executive
