Dear Sir,

Our Company was registered with Authority in 2005 pursuant to our request for registration. At that time we were planning to acquire telecom business in the state, which due to unfortunate reasons did not materialize. Currently we don't have any other plan to start the telecom services in the state and therefore request you to please cancel our registration.

Also, since we have not done any transaction in the state or set up any office, we also request you to please forgive the filing of Form UD-16 and payment of minimum due of \$100.00.

Regards,

Luis Mata  
Controller
