To the Executive Secretary of State of the Public Utilities Commission:

DelTel, Inc. ("DelTel") requests that the Tennessee Regulatory authority ("Commission") cancel its authority granted by, and rescind all tariffs on file with, the Commission to provide Interexchange Telecommunications Services, effective immediately.

In Tennessee, DelTel is authorized by the Commission to provide Interexchange Telecommunications Services pursuant to Docket No. 05-002-18, issued on 3/10/2006. Due to natural attrition, DelTel, Inc. no longer has Interexchange Telecommunications Customers in Tennessee and therefore, no longer requires its authorizations. Because DelTel does no longer serves any telecommunication customers in Tennessee and neither holds deposits nor advance payments from any Tennessee consumers, DelTel respectfully submits that the surrender of its authorizations and withdrawal of its tariffs is reasonable and necessary and will not be disruptive to the present or future public interest, convenience and necessity.

A verification is attached hereto to verify the information in this Letter. An original and 5 copies of this notice are enclosed for filing. Please date-stamp the extra copy and return it in the self-addressed, postage-paid envelope provided. Should you have any questions regarding this filing, please do not hesitate to contact the undersigned.

Respectfully submitted,

Kirk Waldfoegel
