RE: Docket 05-00219
RTC Solutions, Inc. Certificate of Public Convenience and Necessity to Provide
Facilities-Based and Resold Competing Local Telecommunications Services within the
State of Tennessee

Dear Chairman Miller:

RTC Solutions, Inc. was granted a Certificate of Public Convenience and Necessity in
Docket 05-00219 by Order of the Tennessee Regulatory Authority (Authority) November
18, 2005. This letter serves to notify the Authority that RTC Solutions, Inc. has not yet
begun to provide local exchange services in Tennessee, and therefore has not filed a tariff
for those services.

RTC Solutions, Inc.'s initial plans to provide service were predicated on provision of
service to a new construction development which has been put on hold by the developer.
RTC Solutions, Inc. will provide service at a future date, and is aware of its obligation to
file a tariff with the Authority prior to providing local exchange services in Tennessee.
RTC Solutions, Inc. will also enter into an interconnection agreement prior to providing
service.

Enclosed are the original and thirteen (13) copies of this notice.

If you should have any questions regarding this request, please contact the undersigned.

Sincerely,

John Becci
Staff Director - Regulatory Affairs

on behalf of

Alice Evitt Bandy
Chief Executive Officer
