Re: *Petition of MCImetro Access Transmission Services, LLC for Arbitration of Certain Terms and Conditions of Proposed Agreement with BellSouth Telecommunications, Inc. Concerning Interconnection and Resale Under the Telecommunications Act of 1996*
Docket No. 05-00231

Dear Chairman Kyle:

On July 6, 2006, BellSouth and MCI filed a Joint Motion of Postponement of Hearing, stating that they had reached agreement on the resolution of all outstanding issues and were working on a new interconnection Agreement. This is to notify the Authority that the parties are in the process of completing their final review of the interconnection agreement and expect to file the new interconnection agreement with the Authority next month.

Local counsel for MCI has authorized me to submit this letter on MCI's behalf.

A copy is being provided to counsel of record.

Respectfully submitted,

Guy M. Hicks
