I know the SPRINT-NEXTEL merger is an accomplished fact. I am against SPRINT's plan to spin-off local service into an underfunded and understaffed corporate entity. SPRINT want to steal \$7-8 billion dollars in profits from local service to fund SPRINT-NEXTEL high-revenue ventures; I AM AGAINST THIS, TO

Also, SPRINT-NEXTEL wants to addle a spun-off, independent local phone service company with enormous debt. I Am OPPOSED TO THIS!

Respectfully yours,
