Subject: 05-00251 Procedural Schedule

Guy and Chuck,

BTES and Sprint filed a request for an amendment to the procedural schedule today in which Sprint would have until Feb. 10 to file its testimony and BTES would have until Feb. 23 to file its rebuttal testimony. The Hearing date would not change. The request does not indicate whether BellSouth and SECCA concur or object to the request. If the extension is granted, it will apply to all so that BellSouth and SECCA would have until Feb. 10 to file testimony as well. The original filing date for the intervenors' testimony is tomorrow. In the interest of time, please reply for the record whether BellSouth or SECCA either concurs or objects to these changes in the procedural schedule.

Please respond to all.

Thanks,

Jean Stone,
