Re: ***In Re: Petition to Open an Investigation to Determine Whether Atmos Energy Corp Should be Required by the TRA to Appear and Show Cause That Atmos Energy Corp. is Not Overearning in Violation of Tennessee Law and That it is Charging Rates That Are Just and Reasonable***

**Docket Number: 05-00258**

Dear Richard:

Consistent with the Open Records Act request submitted by the Consumer Advocate Division on May 23, 2006, the Atmos Intervention Group requests an electronic copy of the TRA data base for all of Atmos' monthly electronic Internal Financial Statements from the earliest date available up through the most recent month submitted, including all tables, queries, or macros used to manage the data.

It is our understanding that this information is readily available and can be downloaded and provided to AIG (or any other requesting party) with minimal effort. If that is not the case, please contact me. We would appreciate this data as soon as possible and, pending the issuance of a protective order, will treat the data as if it is all proprietary information.

Very truly yours,

BOULT, CUMMINGS, CONNERS & BERRY, PLC
